A Strong Man

Is strong all over. No man can be strong who is suffering from indigestion or some other disease of the stomach and its associated organs of digestion and nutrition. For when the stomach is diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man doesn't feel just right, when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous and irritable, he is losing the nutrition needed to make strength.

Such a man needs to use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, stimulates the liver, nourishes the nerves, and so gives health and strength to the whole body.

Mr. Thomas A. Swartz, of Sub. Station C, Columbus, Ohio, writes: "I was taken very sick with severe headache, then orange in the stomach and my food would not digest, then kidney and liver trouble and my back got weak so I could scarcely get around. The more I doctored the worse I got until six years passed. I could only walk in the house by the aid of a chair, and I had given up to die. Then one of my neighbors said, 'Take my advice and take Dr. Pierce's Golden Medical Discovery and make a new man out of yourself.' The first bottle helped me and after I had taken eight bottles in about six weeks I was weighed and found I had gained twenty-seven (27) pounds, and I am as stout and healthy today, I think, as I ever was."

Dr. Pierce's Pleasant Pellets cure constipation.

BOXER UPRISING SERIOUS.

The different missions at Pekin have been informed that at Southwest Chih-li a new Boxer insurrection has broken out, led by Go Chi Hing, who killed his wife and family, and others emulated the example before the campaign commenced. The Boxers first murdered a French missionary and later killed a Belgian priest, and fifty Chinese officials engaged in collecting taxes were killed. A church was destroyed at Wei-Hien, where a native missionary was killed and a large number of converts slaughtered. Troops were sent against the Boxers, who defeated them. The rebels are credited with a programme of overrunning Honan and Shanung, and then making for Pekin. They are well armed. The Japan Mail says: "As might have been anticipated, the recrudescence of Boxer disturbances at Ku-huei, in Chih-li, has an effect on the disposition for the restoration of civil government of Tientsin. Even those who previously advocated the policy of immediate restoration are now said to be reticent. It is not the Tientsin question alone that will be injuriously influenced by these things. Other and far more important events also depend on China's ability to preserve order with wholly inefficient machinery under circumstances that would probably overtax the competence of any power." The French consul at Tientsin is said to have proceeded to Chin-tang for the purpose of investigating the circumstances of the death of a French missionary at the hands of the Boxer insurgents.

LIVES LOST IN FIRE.

Max Kasten, thirty-two years old, and Mrs. Lydia McKrow, the same age; also an unknown man, lost their lives yesterday in a fire which swept away many buildings at Rockaway Beach, L. I. Thos. A. McGraw and his five-year-old son Frank Martin Hanson, twenty-eight, and Morris Kasten, seventy-five, were injured and taken to a hospital in Long Island City. Several hours later young McKrow died, and the father is reported to be dying. The fire started in the frame dwelling occupied by the Kastens. In a short time it spread to an unoccupied brick building, and then in succession leveled the following structures: Kasten's Hotel, the Colonnade Hotel, the Casino, Walter's Hotel, Sagamore Hotel, Burns' Hotel, Seaside Avenue Museum, the Annex Hotel, one story frame hotel, unoccupied; Peterson's Hotel, and the Mousette Hotel. Other structures damaged were Harry Genette's store, Herr Bros.' store, the Morrison Hotel, and Brennan's Hotel. The buildings for the most part were of the frame type, and at the seaside resort, and the loss is estimated at about \$125,000. After the fire had been controlled the body of a man was found burned to a crisp in one of the buildings. He is supposed to have been a candy maker. A number of persons received slight burns. The fire appears to have started in the kitchen of Kasten's Hotel, probably from the explosion of a gasoline stove or from a pot of candy boiling over.

TERRORIZED BY OUTLAWS.—An order for 184 Winchester rifles and 1,000 cartridges was received at Gate City, Va., Saturday night from citizens living in Scott county. The order was accompanied by the statement that the guns were to be used for the protection of the many families in that vicinity who have been threatened with violence by the unscrupulous "Jim" Wright band of outlaws. The band has committed many murders in the mountainous section embracing Scott, Lee, Dickenson, and the border Kentucky counties. The story sent out from Kentucky over a week ago that a sheriff's posse had killed Wright and two members of his gang is not believed by the citizens of Scott county, and the people of Scott and Lee counties are said to be in mortal terror of the outlaws. They have been warned that the band is on the warpath and has sworn to kill every man who is asked in the effort to bring them to justice. John Templeton, one of the leaders, is known to have been seriously wounded. He was shot two weeks ago in Lee county.

TO ORGANIZE AGAINST DOCTORS.—An immense mass-meeting of the employees of the Roanoke shops was held in that city Saturday night for the purpose of taking some action in regard to the advance in charges by Roanoke physicians. Many addresses were made and the question hinged on the point of organizing only the shop and railroad men against the physicians of Roanoke and employing their doctors on the co-operative plan, or whether the cooperation of all the people of the city, irrespective of calling or profession. A committee, composed of three men from each of the trades unions in the city, was appointed to draft resolutions and confer with the citizens and officials of the Norfolk and Western Railroad as to the best plans to pursue and will report at a later meeting. Two physicians have announced that they are not in the combine.

Kodol Dyspepsia Cure

You need all kinds of food to maintain the body. Curtail this variety and some organ is underfed. It is for this reason that a diet is injurious. If you cannot digest good food your stomach is out of order and needs rest. You cannot go without food for that would mean starvation. Kodol Dyspepsia Cure will digest what you eat without interrupting digestion. Take it and you can rest your stomach without interrupting digestion. It is nature's own remedy. Never fails. Anderson Riggs, Sunny Lane, Tex., says: "I was troubled with indigestion ten years and tried many things and spent much money until I tried Kodol Dyspepsia Cure. I am now feeling better than in five years and more like a boy than in twenty."

Cures All Stomach Troubles.
Prepared by E. C. DeWitt & Co., Chicago. The 81 bottle contains 2 1/4 times the 50c. size. Burns, wounds, skin diseases, quickly cured by DEWITT'S WITCH HAZEL SALVE. Beware of counterfeits. Sold by E. S. Leadbeater & Sons.

Read It in His Newspaper.

George Schaub, a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will be of his wonderful recovery. This valuable liniment is for sale by Richard Gibson, druggist.

Don't Start Wrong.
Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it "hangs on" through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, cold, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. "One Minute Cough Cure" is the best cough medicine I ever used," says J. W. Rowie, Greyton, N. H. "I never found anything else that acted so safely and quickly. For sale by E. S. Leadbeater & Sons."
